# Collecting Service & Claim Data for SDMC 2

# MREMINDER MREMINDER M

In order to implement changes required for gross billing in Short-Doyle/Medi-Cal Phase II, the Integrated System (IS) will be shutting down this week on March 3, 2010 for electronic data interchange (EDI) providers and on March 4, 2010 for direct data entry (DDE) providers. Revenue Management Division (RMD) is issuing this Bulletin to remind DDE providers to be prepared to collect all the information you need to enter and save services when the IS becomes available to DDE providers on March 9<sup>th</sup>. EDI providers should be collecting this information for any service that will be submitted in a claim file to the Los Angeles County Department of Mental Health after the IS shutdown. DDE providers should make sure you are using the revised Daily Service Log so that you will have all the information you need to report for every service you enter beginning Tuesday, March 9<sup>th</sup>. The revised Daily Service Log is available on the IS website under Clinical Forms

(http://dmh.lacounty.gov/hipaa/documents/DailyLogContractors11-17-

<u>09 Repost1.26.10.pdf</u>). Also, don't forget to keep track of payment information (payment amount and payment date) from the Explanation of Benefits (EOB) when you receive an approval or denial from Medicare and from private insurance.

#### We're here to help you...

If you have any questions or require further information, please do not hesitate to contact RMD at (213) 480-3444 or <a href="mailto:revenueManagement@dmh.lacounty.gov">RevenueManagement@dmh.lacounty.gov</a>.
